

## Introduction

Cake pops are simply cake on stick! they are the latest craze the americans have given us. Each cake pop is hand made and decorated with chosen decorations which can be anything from contrasting chocolate drizzle or edible sugar decorations.

We can cater for every occasion from birthdays to valentines and many more. and if you dont see anything you like or have your own specific idea let us know and we might be able to make a suitable cake pop for you.

### Classes

Fancy having a go at making your own cake pops? then why not try one of our classes. Classes will be held in Bexley. There is plenty of free parking. The venue is also close to train stations and is on local bus routes.

*Courses are suitable for beginners.*

In this class you will learn how to make the cake balls and techniques on how to dip, sprinkle and drizzle and decorate. At the end of the class you will be able to take home your newly made cake pops plus step by step instructions and recipies so you can make many more!

Everything you need to make the perfect pop will be provided all you need to bring is yourself!

### Fees
